## *2021 January News Letter*

Hafa Adai Black Sheep,

Hope All is in good health and actively practicing COVID-19 preventative measures.

At this time, the indoor range continues to remain open: 'face covering' is mandatory when 6' social distancing is not possible. Please disinfect areas you've encountered (light switch, door handle, etc.) before leaving the range. Indoor gatherings are limited to 10 persons.

It is imperative we follow the COVID-19 mandates to keep our range available to our members. Thank you for your cooperation and understanding.

Self-monitor; seek immediate medical care if symptoms (cough, fever, shortness of breath) persists.

If you are (feeling) sick: **STAY HOME!**

Government Hill gate is open from 6:00 am to 9:00 pm 7 days a week. Using this entry/exit control point may save you 15-20 minutes off your commute to the indoor range.

The outdoor range by 6 Mile Lake is currently inaccessible due to the large snow berm pile and excessive snow fall. Parking is also not available...

Please join me in welcoming our new club Vice-President: Josh Edmonds and Social Media Coordinator: Kendra Holman into our ranks. The President and Sec/Tre positions continue to be held by the "Old Guard" (Myself and Pam).

/SIGNED//

Bernie Punzalan

President, Black Sheep Bowmen

# ***Black Sheep Bowmen Archery Club***

## **JANUARY 7, 2021 BUSINESS MEETING**

The January meeting was called to order by the President, Bernie Punzalan at 7:00 pm. There were 5 members physically present and 7 members on Zoom.

### **OLD BUSINESS:**

The Government Hill gate has reopened. Hours are 6:00 am to 9:00 pm. Entry or exit before or after those times will need to go through the Boniface gate.

No new base passes are being issued at this time. If you have a valid pass, you may still access the ranges. If your pass has expired, please contact Pam and your membership will be extended once the restrictions have been lifted. We are sorry for the inconvenience and ask you to please be patient and stay safe.

Indoor groups are limited to 10 individuals on the base. Face coverings are required when 6 foot physical distancing cannot be maintained. Be sure that everyone logs into the sign in book. This will be extremely important if we have to do any contact tracing. There are sanitizers and wipes available, so wipe down areas that you come in contact with. If you are feeling ill, please stay home. Please do your part.

The Black Sheep will be participating in the NFAA mail in Indoor National Championship in January. We will be shooting at the indoor range on January 14 & 15 with a shooting time of 6:00 pm. And again on January 16 & 17 with shooting times at 11:00 am and 3:00 pm. You may choose the dates you wish to shoot but must shoot both days and complete two NFAA 300 rounds. This is blue / white target face. Each shoot time will be limited to 8 shooters and sign in must be done in advance via the Sport80 platform. For questions or more information, contact Evan Cotten at 522-0008 or [evan.cotten@gmail.com](mailto:evan.cotten@gmail.com).

The ASAA is still looking for a Secretary and a Social Coordinator. If you are interested in either position, contact the ASAA.

Northwest Sectionals will be hosted at the Black Sheep range on March 6th & 7th. Warm up will begin at noon and the shooting will start at 1:00 pm. Sign up sheets will be posted at the indoor range in February.

When you leave the range be sure that you have turned off lights and that the door latches behind you.

### **NEW BUSINESS:**

Election of officers was held. Bernie Punzalan was nominated and confirmed as President. Josh Edwards was nominated and confirmed as Vice President. Pam Jacobs was nominated and confirmed as Secretary / Treasurer. A new volunteer appointed position was created for Social Media Coordinator. Kendra Holman expressed an interest in this and was appointed. This will include updating our facebook page. Anyone with current Black Sheep pictures is asked to send them to Kendra at [kendraholman@gmail.com](mailto:kendraholman@gmail.com). The constitution will be updated in the future to reflect this new position.

The fire extinguishers at the range are due for an annual inspection tag. Jake will follow up on this and pass the contact information to Josh.

A 4 fletch barrel adapter has been purchased from Last Chance Archery. Bernie also requested we order a HS3 handheld bow scale for \$79.00 and a Pro Grain Scale with arrow holder for \$39.00. These purchases were approved and Chris will follow up with the ordering.

The indoor range has some light bulbs out. Chris and Evan will follow up with that this week.

Pam moved to adjourn the meeting. Chris seconded. The meeting was adjourned at 7:45. The next meeting will be held on Thursday, February 4 at 7:00 pm at the indoor range. You can join the zoom meeting at <https://zoom.us/j/94899116752?pwd=aFFreTVBc1RPV29tNUVpOTIWSHV2QT09>

Meeting ID: 948 9911 6752      Passcode: 280648

### **INDOOR RANGE MASTER REPORT:**

The indoor target league has been cancelled until further notice due to gathering restrictions because of the Covid spread. The indoor range remains open for individual use.

Evan and Chris will work on tightening up the target face before the NFAA mail in shoot. The backs will still need to be redone and that will be a project to be completed in the next couple of months.

The fire extinguishers were inspected and the tags updated.

# ***Black Sheep Bowmen Archery Club***

## **OUTDOOR RANGE MASTER REPORT:**

The outdoor range is currently not accessible and road conditions are icy. Please use caution when driving the back roads. There is a large berm blocking the access and no place to park.

## **SECRETARY / TREASURER REPORT:**

We currently have 81 memberships.

There are still a few memberships that need the three month extension. The base pass extension was in process when the requests were stopped. I will work with those members as the current expiration date gets closer and this is still not resolved.

The major expenses for December were \$116.56 to Alaska Communications, \$1596.26 to Sadler Insurance for our annual insurance premiums, and \$167.74 to Office Max for secretarial supplies.
